

Outstanding People Have this in Common

Welcome to this edition of your Weekly Winning Resource all about the word absolute. Our I've Decided Community is built on an absolute mission for your success. As a member of our organization, you are surrounded by like-minded people who desire to tap into their fullest potential, achieve their goals and dreams, and live a fulfilled life! The question is, are you on this same absolute mission? Are you all in on achieving your dreams, no matter how big? As we enter into the week of Christmas, we must ponder the best example known to us in all of history of a mission fulfilled. This example is the birth of Jesus Christ, the reason we celebrate. He was born with an absolute mission to save the world, and He fulfilled this mission. He was all in on success! It is not by chance that our success community is called I've Decided. If you intend to accomplish the things you desire and have the life you truly want, there is no room for being lukewarm. You're either going to do it, or you're not. There will never be anyone who gets where they want to go with a half-hearted mindset. Last week our word was review and this week it's absolute. There are 2 weeks left in the year. As you continue to review your progress, where you are, and where you want to be, you have to DECIDE. Do you have an absolute sense of mission or not? If so, then you are in the right place because we have ONE absolute mission, and that is YOUR SUCCESS!
