

# Did you forget?

While you celebrate Labor Day this weekend, it's a great time to remember how important it is to simply enjoy life!

As your partner in success, we want to remind you of that this week in your Weekly Winning Resource all about the word enjoy. There is certainly no shortage of wonderful quotes like, "Enjoy the journey", "Dream big, enjoy life", "Enjoy every moment", just to name a few! With so much positive information about how important it is to enjoy life, why do we find ourselves grumbling a lot of the time and hoping for a brighter day. There really are so many things to enjoy right here, right now. Most of us know that taking time to slow down and enjoy life is important, but still most of us rarely do. The truth is, learning how to enjoy life does take intention and practice. Research shows that only about 10% of life's enjoyment actually depends on our situation. If that's true, then we have more control than we may think.

Every moment of your life is precious and when the moment is gone, it's gone forever. Each moment you live choosing to carry unforgiveness, anger, worry, and guilt hinders your ability to live every second to the fullest and enjoy your life. So, don't forget to make the most of every moment you have and really enjoy it.

## Your Weekly Winning Word:

**Enjoy:**

***To take pleasure or satisfaction in; have a good time.***

## **Your Weekly Winning Article:**

We found this great recording from spring of 2020 when we had to cancel our conference because of the shelter in place mandate. This was a very scary time for us since everything we did was in person. Kim found a way to enjoy the moment and make the most out of what we had. This was our first attempt at “virtual” and we called it the “unconference”. We thought you would enjoy the humor and just enjoy being inspired. If you listen closely, you will pick up 8 things you can do to help you enjoy life more. Write them down while you are watching to see how many you catch. Hint: Watch to the end and you will see a slide with them listed.
