

How expansive is your life?

We are excited to bring you this edition of your Weekly Winning Resource all about the word expansive. When you think of the word expansive, you may get a vision of the ocean, the sky, or an open range expanding as far as the eye can see. Expansive is deep and wide and it has the capacity to grow even more. Have you ever thought of yourself on an expansive level? What does that look like? For starters, if you are a person on an expansive level, you have a vast scope of knowledge and you seek to know even more. Secondly, you are certain there is no limit to how much you can learn and no cap on your capacity for growth. In other words, you are ever seeking to expand from where you are today. Our goal this week at I've Decided is to encourage you to be a person on an expansive level, one with a capacity for growth.

Your Weekly Winning Word:

Expansive:

Covering a wide area in terms of space and scope; having a capacity or a tendency to expand.

Your Weekly Winning Challenge:

One of the tactics that will help you achieve a more expansive life is to get visual. Imagine the possibilities and put even your biggest dreams on a vision board. We are giving you the opportunity to create your own vision board at our Community Networking and Learning (CNL) this Thursday, September 1st 8:30-10AM CST. If you can join us in person at our I've Decided Community Room located at 3709 N Sterling Ave Peoria, IL 61615 (the parking and the entrance are in the back of the building behind Curves), we will provide everything you need for this project. You can also join from wherever you are and work virtually on your own to create your vision board. Your challenge this week is to attend this event and build your vision board. The Zoom link is: <https://us02web.zoom.us/j/82215146927> and the passcode is: 015935
