

# Don't Stop Believing!

We are excited to deliver your 2023 5th edition of your Weekly Winning Resource all about the word fulfill. At I've Decided, this is one of our favorite words because it essentially is a part of our mission. We help you fulfill your goals and dreams whatever they may be! For us to help you, you must believe you are capable of success. The thing about success is we are all different. Each one of us were created with a certain purpose and intention in mind. Your individual best and potential are going to be different from another person's best. Like our Weekly Winning Quote says, "You can't choose your potential." It's true, your potential was already designed for you by The Creator, but it's your job to tap into the absolute best you can be, to strive for excellence, and to achieve those goals and dreams that will ultimately lead you to fulfilling your purpose.

## Your Weekly Winning Word:

**Fulfill:**

*To bring to an end; Finish or complete.*
