

How do you see yourself?

Welcome to the first edition of your 2023 Weekly Winning Resource. We are wishing you the happiest and most prosperous New Year you've had so far! We are excited to share that our very first Weekly Winning Word in the New Year is glorious! Have you ever thought of yourself as glorious? Our guess is probably not, but you definitely are! Glorious is very beautiful, delightful, and wonderful. You are wonderfully created. You are glorious! The fact is, you must see your own beauty and your own worth before you can truly step into who you were born to be. Yes, we all have flaws, we all have issues to deal with, but everything we are is a part of our glorious being. When you start to see yourself as the glorious person you are, you will dream bigger, be more confident and courageous. You will do what it takes to be the best version of yourself and achieve the things you desire deep in your heart. More importantly, you will be grateful to your Creator. So, as you open the first chapter of 2023, let this be your affirmation for the New Year, "I am beautiful, I am delightful, I am wonderful, I am glorious!"
