

What Does Success Mean to You?

Welcome to this edition of your Weekly Winning Resource all about the word lucid. Living a life decided is all about being lucid. Simply stated, it's knowing what you want and making decisions each day that align with that. When you are a lucid person, you are clearly expressing the things you desire, and more so, you are crystal clear about your goals and dreams. It's important that you are able to translate the things you want quickly and in a way that others can easily comprehend. To do this, you have to be clear about what success means to you. This week is all about making sure you know exactly what you want and that you are able to clearly express it.
