

# Maybe it's just a course correction?

While doing some research for this edition of your Weekly Winning Resource, we came across an awesome definition of our weekly winning word, redirect. Redirect; A course direction to your destiny! Isn't that an amazing thought? It's easy to get discouraged when you get rejected, knocked down, or have a door close that you had hoped was the way. But, it's important to remember, when one door closes another door will open. What you soon find out is, the new door is a better way! Given our current pandemic, you may find yourself being redirected. This can cause you to feel defeated, frustrated, and even wanting to give up. At I've Decided, our mission is your success! We want you to be encouraged and realize that some of your greatest moments are still ahead of you. Being redirected isn't a bad thing. Remember, it may just be a course direction to your destiny!
