

How resourceful are you?

Welcome to this edition of your Weekly Winning Resource all about the word resourceful. A resourceful person will always make opportunity fit their needs. It's human nature to think that if you just had more resources it would make things better for you, but that's simply not always the case. It's more about what you do with the resources you have. Teddy Roosevelt is famous for saying, "Do what you can, with what you have, where you are." In other words, find a way. So whatever you are trying to accomplish, whatever your goal is, and your dream...Dig in, and make it happen. You don't have to wait for the perfect time, the perfect place, the perfect opportunity, or the perfect amount of money. Start where you are, start right now, and use what you have...Be resourceful!
