

There's Only One Impossible Journey

Whatever you want to achieve is possible. If you can dream it, you can achieve it! It's just so important to remember that success is a journey, not a destination. When it comes to achieving your goals and dreams you must recognize the joy in the journey and not get too wrapped up in how long it may take. At I've Decided our purpose is to help you achieve your goals and dreams whatever they may be. We know if you are going to be successful, you must be patient, and enjoy every small step you take. That's why, in this edition of your Weekly Winning Resource, we decided to focus on the word, journey. Enjoy!

Your Weekly Winning Article:

This week we decided to be different and share a video instead of reading material. We stumbled across this great little 4 minute video about how success is a journey not a destination. Your Weekly Winning Challenge:

This week we want you to find joy in the journey. A great way to do this is to journal or at least thoughtfully call to mind the events of your day. Consider your small victories and the things you did right throughout your day. Focus on staying in the moment and not getting too far ahead of where you are. What good is happening right now for you. Remember, success is not a destination, it's a journey. We want you to enjoy the adventure in achieving your dreams and take time to see the sights.

Your Weekly Winning Quote:
