

What is the key to all success?

To all of our amazing Dads out there...Thank you for taking action with our Moms. HAHAAHAHA! Couldn't resist the Dad joke! Seriously though, happy Father's Day! You may have already guessed, but this week's edition of your Weekly Winning Resource is all about the word action. Wherever you are and however you can, we want to encourage you to take action towards your goals and dreams. Our purpose at I've Decided is to help you achieve whatever you desire, and we know that an inch of movement will bring you closer to your goals than a mile of intention. What do you want? Whatever it is, the time to act is now. What you do today will determine your tomorrow, and imperfect action always trumps perfect inaction, so just start. Remember, the emotion always follows the action. So, if you don't feel like taking the first step, do it anyway. Once you take the action, your emotion and feelings will follow, and you will be so glad you decided to take action.

Your Weekly Winning Word:

Action:

Something you do in order to achieve a particular purpose.

Your Weekly Winning Article:

One average idea put into action is far more valuable than 20 genius ideas being saved for the perfect time. When you have an idea or make a decision, get in the habit of taking action. To do this, there are some things you need to STOP doing.
