

What were you going to do?

Hello and happy August. We really don't like being the bearer of bad news, but 2021 is officially more than half over. However, there is good news too...You have 5 months left to accomplish what you set out to do! As you know, our 2021 theme is, "The Time is Now!" There could not be a truer statement, "The time is definitely NOW to reclaim what you started!" How appropriate that this edition of your Weekly Winning Resource is all about the word reclaim. So, what were your goals and dreams for this year? Where did you think you would be by this time? You may be right on target, and if so, that's awesome!! If you're like most of us though, your goals may have fallen by the wayside and you're not quite where you hoped to be by now. Here's what you need to know, that's totally okay! Here's what you also need to know, it's time to reclaim what you started! It's not too late, you still have time to make it happen. At I've Decided, our purpose is to help you achieve your goals and dreams and our mission is your success! We don't want you to get to the end of the year not achieving whatever it is you decided to do. Reclaim what you wanted to achieve right now!
